## button you must wander

traditional

But - ton you must wan - der, wan - der, wan - der,  
 But - ton you must wan - der far a - way.  
 Bright eyes will find you. Sharp eyes will find you.  
 But - ton you must wan - der ev - 'ry - where.

The children sit in a circle on the floor with one student in the middle. Before we start to sing, the student in the middle closes his/her eyes while I give the button to one student in the circle. All of the other students are "sneaky" and pretend to hold the button in their hands. When the singing starts, the student in the middle opens his/her eyes while students in the circle pretend to pass the button. When we have finished the song, the person in the middle gets 3 chances to guess who ended up with the button.
