Game: Choose a leader. Others form a circle, joining hands and raising them to form arches. Sing the song as a leader weaves in and out between those in the circle. On the first *jingle*, the leader stops to face the nearest person. On the song's refrain, these two students do 'pat-clap-fives' on each *tideo*. The 2nd student now follows the leader as they repeat the song and stop in front of two different students on *jingle at the window*. Continue the game until all are following the leader.
